

Hering Berlin Granat Dinnerware

FROM \$76.00

Classically balanced forms meet ultra-modern asymmetrical motifs in this pattern based on sketches of pomegranates. The bisque edges of these otherwise fully glazed pieces provide textural interest, while loose lines hand-rendered in cobalt blue impart visual appeal and contemporary energy. Porcelain with bisque rim, painted cobalt lines and glazed center. Dishwasher and microwave safe. Five-piece place setting includes dinner plate, salad/dessert plate, bread and butter plate, tea cup and saucer. Founded in 1992 by designer and craftswoman Stefanie Hering, Hering Berlin presents an extensive and versatile collection of tableware and glassware. Hering Berlin is based on seeking the essence of the well-laid table, as well as elegantly defying expectations. Each of its pieces applies timeless highest-quality techniques toward the pursuit of an avant-garde sophistication.
