

Poc a Poc Shanghai Gold Dinnerware

FROM \$85.00

The elegant Shanghai Gold pattern from Poc a Poc features a brush stroke of 24-carat gold artfully painted over exquisite porcelain. Hints of purple appear from a chemical reaction that naturally occurs when the gold is fired. The gold glaze can be applied thicker or thinner, depending on how prominent you would like the purple to be. French Limoges Porcelain hand painted.

Additional pieces available. Founded by artist Marc Pascual in 1994 in the Burgundy region of France, Poc a Poc is an extraordinary collection of Limoges porcelain dinnerware. Each pattern is inspired by and named after a world city. The pieces are rich with iridescent glazes and 24-carat gold accents. A mix of the pieces creates a table setting that is international and eclectic but also refined.
